OBJECTIVE: To obtain a position which utilizes my strengths in creativity, leadership and teaching.

SUMMARY OF QUALIFICATIONS:

Extensive experience in creative leadership positions among peers.

A history as a self-motivator and creative problem solver.

Many instances of mentoring and teaching positions which required good communication skills.

EDUCATION:

Biola University, Bachelor of Fine Arts, 2009

Dean's List, President's List, Honors List

Graduate of the Torrey Honors Institute, 2009

PROFESSIONAL EXPERIENCE:

Director of Marketing and Communications, Student Missionary Union 2007-Present

Responsibilities include managing and mentoring a staff of two graphic designers and one publications editor, brainstorming and approving all marketing publications, creating and managing the SMU website, and being an active member of the Board of Directors.

Graphic Designer, Student Missionary Union 2006-2007

Creatively communicated the vision of SMU through designing posters, postcards, web-graphics, flyers, booklets and more. Successfully worked within deadlines regardless of their length.

Freelance Graphic and Web Designer, Personal Employment 2005-present

Working as a graphic designer to create and communicate through branding and web-design. Worked with clients from an array of backgrounds, fulfilling and negotiating their needs and desires.

Graphic Design Intern, The Collectiv 2007-2008

Assisted in the creation of web, branding and apparel design. I listened and received instruction in many fields of new media and marketing in the fashion industry.

Graphic Design Intern, The Compton Initiative 2008-2009

Worked creating a website and branding for a non-profit restoration organization that was operating in a very racially sensitive area. Communicated with my employer in order to create culturally sensitive material.

Custodian, First Baptist Church of Yucaipa 2002-2005

Job responsibilities included cleaning and repairing facilities in a fast and studious manner, training new employees, inspecting facilities and paying attention to wear-and-tear throughout the campus.

SKILLSET AND EXPERIENCE:

Expert Knowledge of:

Adobe Illustrator, InDesign, Photoshop, Flash, Microsoft Office Apps. including Excel and Powerpoint.

Intermediate Knowledge of,

xHTML, CSS, Javascript, Final Cut Pro, and Quark.

Moderate Knowledge of,

Actionscript, Adobe After Effects, and Maya.
